# GENERAL

Werktank workshop, residency space, blackbox and offices are all located in Ateliers Minnoye. Ateliers Minnoye is an off-space for arts and artisans, situated just a five-minute walk from the Leuven station. In addition to the dedicated Werktank areas, there is also a shared kitchen and a co-working space available for office work. Within Ateliers Minnoye, a total of 10 other makers and artists find their creative abodes. All the spaces within the facility are equipped with heating capabilities.
